Dear Participants,

Kodaikanal Christian College (KCC) takes immense pleasure in inviting you to the International Conference on Internet of Things (ICIoT-2017).

ABOUT THE COLLEGE

Kodaikanal Christian College has built a reputation for moulding students into future leaders, as they are called to be, through the high standards of education and value-oriented priciples. Located on the beautiful Paradise Hill, 7000 feet above sea level. Kodaikanal Christian College is the first Arts and Science college to be established in Kodaikanal by the House of Abraham Charitable Trust, under the leadership of Dr.Sam Abraham. Kodaikanal Christian College was founded on October 12, 1994. The College is affiliated to Madurai Kamaraj University and is approved by the University Grants Commission (UGC) under section 12B, 2(I) status in June 2009. Dr.Sam Abraham, MA., Ph.D, a visionary is its Chairman and Principal of the College.

ABOUT THE DEPARTMENT

The Department of Computer Science & Information Technology was established in 1998. The department offers undergraduate programs and post graduate programs: Computer Application and Networking & Security. The department is equipped with Reading rooms and Computing Systems with WiFi to meet the needs of the department. A committed and hardworking faculty of members take care of the academic requirements in an effective manner.

ABOUT THE CONFERENCE

International Conference on Internet of Things (ICIoT-2017) will provide the platform for Engineers, Scientists, Industrialist, Academicians and students in the various fields of Engineering, Science & Technology across the world. This conference provides opportunities for the participants to exchange new innovative ideas, applications, experiences to establish research relations and to find global partners for future collaboration. We will be more than happy to have you as one of our participants in the international conference by presenting your research work.

Conference consists of keynote lectures, Tutorials, Workshops and Oral Presentations on all aspects of Internet of Things (IoT).

Researchers invited to speak, will present the latest developments and technical solutions in the areas of: Internet of Things (IoT).

The selected papers will be published in SCOPUS Indexed International Journal IJIRCEC indexed by Google Scholar, DRJI, DOAJ with Impact Factor 6.577, for publication online as special issues.

THEME OF THE CONFERENCE

This conference is entitled “International Conference on Internet of Things (ICIoT-2017)” and aims at improving the technical proficiency of the individuals and igniting the spark on the current innovations of IoT. This conference will focus on investigating Solutions IoT’s influence present and future. In addition, to improve the possibility of storing, accessing and retrieving files in any Cloud environment.

WHO SHOULD ATTEND THE PROGRAM?

The programme is designed for the UG and PG Students, Faculty members, Industrial delegates and Research scholars to present their investigation, research activities, new ideas in this forum. Faculty members from Arts and Science, Engineering Colleges across the world with specialization in CS/ CSE/ IT/ MCA/ NETWORKING/ SE, affiliated to any university shall attend.

TOPICS

International Conference on Internet of Things (ICIoT-2017). KCC is soliciting original, previously unpublished and high quality research papers addressing research challenges and advance in the track mention below. The topics are as follows:

- IoT’s on HOME or Household Devices- Future Smart Homes
- IoT’s on Agriculture and Agriculture Production and Distribution
- IoT’s on Retail Industry
- IoT’s on Transportation and Logistics Industry
- IoT’s on Manufacturing and Industries
- IoT’s on Government (Electricity/ Water/ Education etc.,)
- How IoT can help to create a Smart Cities.
- IoT’s on Robots.
- IoT’s on Enterprise.

SUBMISSION GUIDELINES

Authors are requested to submit the soft copy of their full papers to iiciots2017@kcc.edu.in. Submissions should be done electronically to facilitate very rapid turnaround time that the Conference aims at. Authors should submit their papers as per the attached sample format only (MS Word provided by the KCC (CS/IT) Single column Paper format only).

There can be two Co-authors per paper. Accepted papers alone will be allowed to be presented in Conference.

KEY NOTE SPEAKER
